

INTERNATIONAL SEARCH REPORT

International application No.

A. CLASSIFICATION OF SUBJECT MATTER																																			
According to International Patent Classification (IPC) or to both national classification and IPC																																			
B. FIELDS SEARCHED																																			
Minimum documentation searched (classification system followed by classification symbols)																																			
Documentation searched other than minimum documentation to the extent that such documents are included in the fields searched																																			
Electronic data base consulted during the international search (name of data base and, where practicable, search terms used)																																			
C. DOCUMENTS CONSIDERED TO BE RELEVANT																																			
Category*	Citation of document, with indication, where appropriate, of the relevant passages	Relevant to claim No.																																	
X Y Y A A,P A																																			
<input type="checkbox"/> Further documents are listed in the continuation of Box C. <input type="checkbox"/> See patent family annex.
